

FOCUS & GROWTH

Bob Adams (left), 3rd Generation owner, 1957

Adams Transfer has managed office and industrial relocations for over 100 years. Founded in 1903, Adams Transfer & Storage Company was built from the ground up — with a foundation of quality service and continuous dedication to customer satisfaction. Through specialization, hard work and a commitment to excellence, Adams Transfer has become Atlanta's premier office mover. As Georgia's oldest family owned and operated moving & storage business, Adams Transfer offers personalized service with attention to every detail.

Winner of the
2003 Georgia
Family Business of the Year
Cox Century Award

1903 - 2005

OVER A FULL CENTURY OF SERVICE

For over a century,

The Adams Companies

has provided relocation solutions and the utmost security, trust, and protection of corporate assets for hundreds of Georgia's top companies.

In a collaborative effort, our team of specialists offers comprehensive solutions for business management in a world of risk.

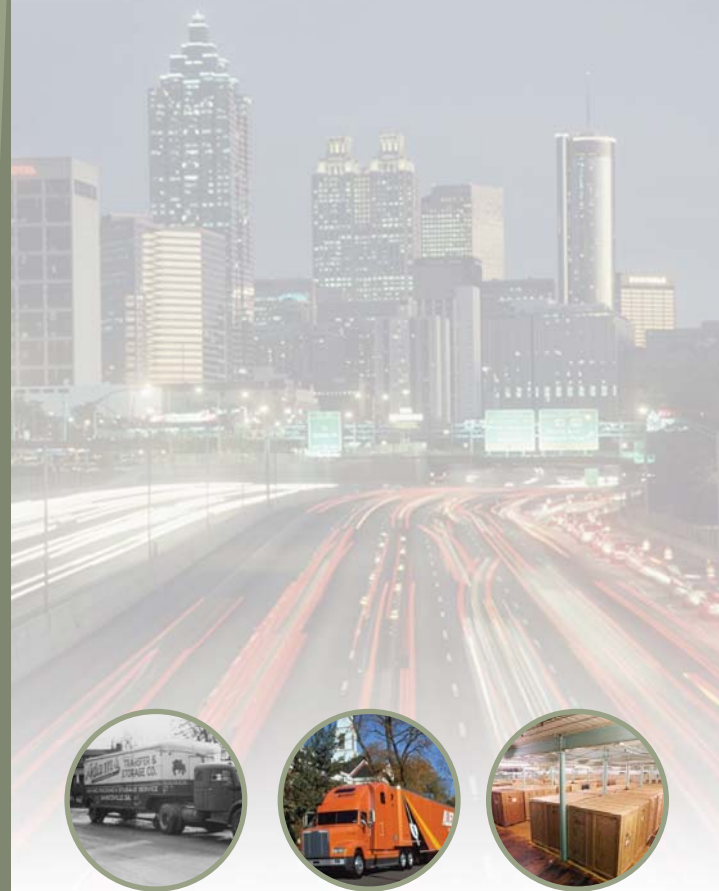

"Adams continues to bridge the gap between old and new... with a blend of tradition, a history of solid dependability, and a new sophistication of combining people and business, while moving them into the next century."

ORGANIZATION >

Trained professionals at Adams Transfer are experienced in moving delicate electronic equipment, works of art, museum pieces, computer equipment, office furniture, and other **high value products** utilized by today's businesses.

Our **hands-on technique** in management and supervision of each project allows uncompromising dedication to our top priority – customer service. This unique approach has enabled Adams Transfer to become Atlanta's premier office mover.

With extensive experience in handling **all aspects** of commercial relocation, Adams Transfer has an excellent reputation for customer service and satisfaction.

When relocating your company's business, be sure to use a licensed moving company. Adams Transfer holds Georgia Public Service Commission Certificate #263, issued in 1932.

PERFORMANCE >

- Interface with the customer to ascertain specific needs
- Develop a comprehensive move plan by addressing all customer needs
- Provide recommendations to the customer on how to plan and organize the relocation
- Supply pre-move and packing instructions to assist in preparation for relocation
- Implement color-coded labeling system to guarantee a quick path to the destination
- Complete final walk through to ensure complete customer satisfaction
- Implement color-coded labeling system to guarantee efficient distribution to desired location

QUALITY >

Bob Adams, *Chairman*
Al Adams, *President*
Jimmy Adams, *Vice President*

As a family owned and operated business, the managers at Adams Transfer emphasize and require comprehensive training and quality control of all personnel.

As one of Atlanta's largest and fastest growing full-service commercial moving companies, Adams Transfer maintains a large fleet of **modern, clean, lift-gate moving vans** to ensure the safety of your company's products.
